Letter reply in between meetings, stated that they did not expel us. Marc talked to Greg Gong – Meeting minutes did not include due to error by secretary. According to Greg, discussion did come up at summer meeting about San Jose and they wanted to outline changes for wanting us to play along. Letter went out for editing and didn't get into the final letter. The letter was supposed to be in the tone of: here are the concerns please fix them to continue to be part of Federation. Greg now has said they want to have us back and want to discuss what they can do.

We are open to re-instatement with conditions; Marc will meet with Greg and listen to what he has to say.

Possible conditions for us to return:

Formal apology to all our bowlers

Tighter accounting, where does the money go?

Summarization of benefits

Copy of current constitution

No fees for current season

Cards turned in with money to same person.

Deadline for payment?

Not all bowlers have to buy a card

Change of Fed constitution, in general what they are enforcing must be in constitution.

Our tournament, not under Fed rules

New Business

A. Laptop donated by Stefanie's Mom for Fuzzy Tournament, will have to check if will work and be compatible and useable for tournament.
