Nisei Juniors

- Bake sale went very well, made \$141 probably because of the coffee shop not being open. Will also hold a sale during the Senior No-Tap event. League started Sept 26 with 20 kids total; 16 A's and 4 B's, lost several of our "big" kids but added four more, overall we lost 10 kids.

Senior No-Tap

- October 17th Entries are higher than last year. Vince will get some cases of bananas for tournament.

Federation Report

- Federation meeting report from Karen and Brandon. Bowler contact database submit from San Jose, basically same information that is provided to the USBC. Plus USBC

number, Nisei status, gender. Vince suggested some changes to the bylaws and they were updated. Average readjustment method will continue to be discussed. Motion passed to establish a tournament service fee pending association approval, starting next year \$125 per association. Discussion followed about providing bowler information and ramifications, opt-out options.

- It was announced that Stockton tournament was cancelled/possibly re-scheduled.
